Friend and talented artist **Meredith Nemirov** sends this information re her new venture:

“We took a group of painters to Mallorca, Spain in April 2016 and 2017. It was such a great experience that we would like to keep going

back. Next year we have two separate workshops planned. Here is a link to the info: <http://www.meredithnemirov.com/mallorca-2018/>

You can see the work we did there at my blog: <http://www.meredithnemirov.blogspot.com>

You will see the various mediums artists worked with, not just watercolor, and last year we had a group that ranged in age from late 20’s to into their 80’s and all the decades in between,

it was so much fun!”

Meredith will be giving a talk in Durango in September; the flier is attached below.
