Happy Canada Day! Happy Fourth!

.....

Iris, my favourite* flower!

Iris bloomed in my patio garden this spring! I was able to paint them "En Plein Air" between the severe rain storms. A few of the blooms suffered and one whole stem with six buds/blooms snapped.

Studio News

I have been invited by [Mary Williams](#) to show in conjunction with the [Healing Arts Program](#) at the Porter Adventist Hospital in September/October 2016!

I work best to deadlines, so I am grateful for this opportunity.

I plan to present my new series: "The Golf Series"! I'm a golf junkie; watch the tournaments every weekend! I grew up with a golf club in my hands.

That's me, my Dad and brother at Port Elgin, Ontario near the beach!

The Series is currently all in my head and a few sketches, but I'm envisioning abstracts of aerial views of golf courses!

Meanwhile, I'll be taking photos along with my PAAC friends

[Debby McAllister](#) and [Deb Bartos](#) who will be painting En Plein Air at the
