David Grossmann wins the 2015 Allen Award and an Honorable Mention for "Bright Yellow Wall"! This little gem just jumps off the wall for your attention. And it certainly caught our attention and that of the Juror, Lorenzo Chavez. Congratulations David!

If you have not seen the PAAC Show at Mary Williams Gallery in Boulder, it is worth the trip. This is a very strong show, the best Plein Air work we have seen all in one place, and it is beautifully hung. Just a feast for the eyes and all paintings are for sale at very reasonable prices! But only until **AUGUST 30th**! If you want to you can view the show online and call the gallery to purchase.
