Fall Finery

Framed Image

Still some time to see these abstracted landscapes for Fall!

The exhibition and sale continues until October 30th, 2015

"Sneffels Autumn Abstracted II"
24 x 24 Oil/Canvas

From the "Landscape to Abstract" Series

With this one I'm going for straight out "pretty" with some of my favourite colours!

Cerulean Blue, Yellows, Quinacridone Violet, Magenta wash.

It takes guts to leave an area of the canvas with almost no paint!

When we were kids we went "into the woods" to play and I feel like I am returning to the woods back home.

Sadly "our woods" are all developed now.

This is one of those you have to see to appreciate the brushstrokes and paint applied with a palette knife.

"Red Rocks Abstracted II"
24 x 24 Oil/Canvas

This is the cropped abstracted piece from the studio piece below. ("Red Rocks Abstracted")

I felt like I was finally on the right track. Can you see where it came from?

Studio News!

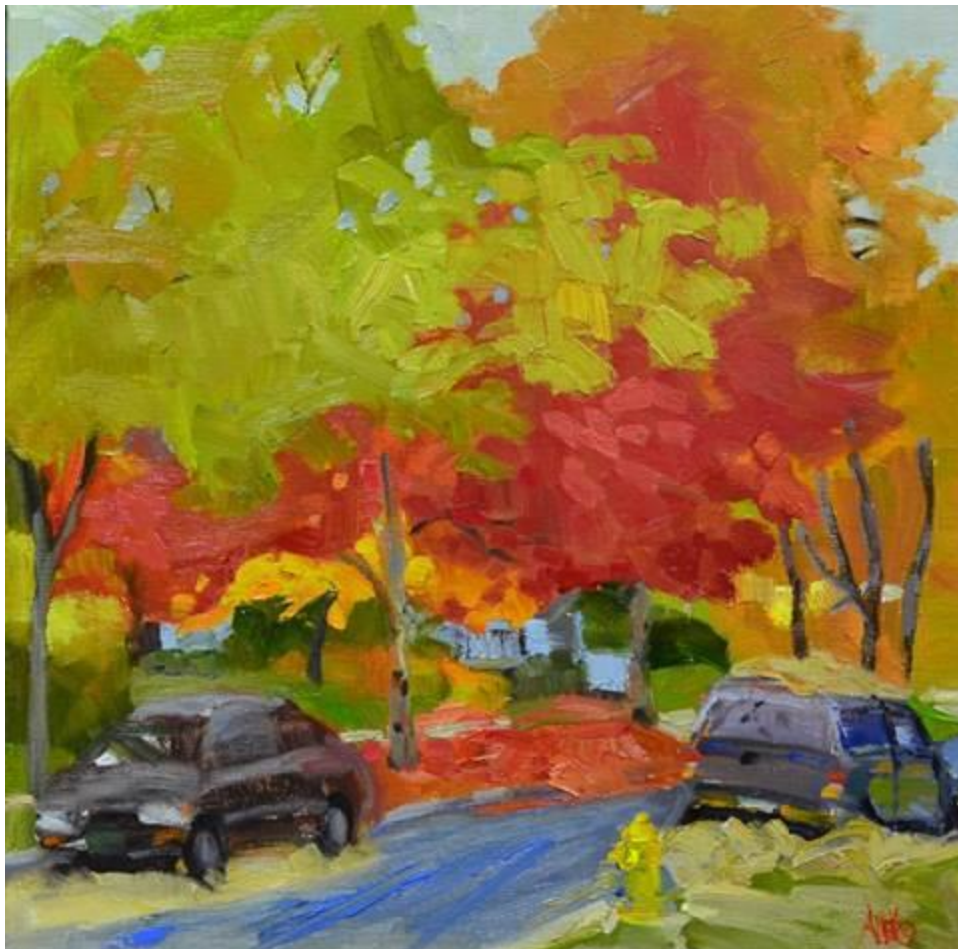

So **grateful** for this sale! Thanks Ann.

Although I miss having it in the studio to look at! One of my personal favourites.

Sixteen paintings left the bins this month on the way to new homes!

Including this one, "Awesome Autumn".

Don't forget to call and make *your* appointment to visit the studio!

I recently added many more pieces to the Bin with reduced prices.
